

Tree of Life Order Form

In Jewish tradition, the Tree of Life connects Heaven and Earth, with its branches reaching upward and its roots planted firmly in the earth. Our Torah is referred to as our *Eitz Chayim*, our Tree of Life, connecting God and man. The symbol of the Tree of Life represents Beth Chaverim's connection to God and connection to our Torah.

Our Tree of life was designed, lovingly made and donated by Beth Chaverim Congregant and Artist, Cheryl Suitor. She has given us a gift that we will enjoy for many years. It is also a treasure that will keep giving to our community. With your support, the purchase of leaves and foundation stones will help us firmly root our community in our new Synagogue.

Leaves and stones can be purchased as a gift for our "new home", a gift to the congregation, or to commemorate a simcha of your own.
It is on view for all to see and enjoy.

You can be among the first to have your name or family name engraved on a leaf or a stone!

Our sincere thanks to you for your support.
